DNV Leads Participation in NACE Pipeline Integrity Management Seminar

Columbus, OH USA: DNV reinforced its position as a leader in the pipeline industry, with a strong presence at the recent NACE Pipeline Integrity Management Seminar held in Calgary, Alberta, Canada June 24 – 25, 2009.

Jake Abes, Country Manager for DNV Energy Canada co-chaired the seminar, and four of the 17 technical presentations were given by DNV staff from Columbus and Calgary:

- Priority of Risk & Pipeline Integrity by Oliver Moghissi, Ph.D. and Ray Davies
- Assessing the Potential Risk of Internal MIC in Pipeline Systems by Simon Schapira
- Safety Management Systems for Pipelines by Jake Abes
- Stress Corrosion Cracking Direct Assessment by John Beavers, Ph.D.

“The conference was well attended and gave DNV the opportunity to showcase our technical expertise in a broad range of integrity-related areas,” stated Abes.
